# EXECUTIVE BOARD FROM THE PRESIDENTS DESK

Hello Members,

As another riding season ends and we start the process of putting our bikes up for the long winter, I would like to take the opportunity to say thank you to my Executive Board as well as all the committee members from all over the state that helped us achieve our goals despite the never-ending rain, we endured this past riding season.

In January 2023,

We started to work on writing a grant to purchase lawn signs to promote safety and awareness. With the help from the Maine Department of Transportation and the National Highway Safety Committee. UBM was awarded enough money to buy one thousand, two-sided road signs to be distributed to all sixteen counties throughout the state, consequently just in time to kick off Motorcycle safety awareness month in May at the Governor's mansion. It only takes a second to take a 2nd look. It could save lives!

Statewide

Although Statewide was not as large as it has been in the past, I am sure due to the rain, it continues to be a considerable success each year and this year was no different. This year we tried a bunch of new ideas like Axe throwing, Corn Hole in the green building next to vendor row that was hosted by Wicked Corn hole and with the generous donations from the law offices of Joe Bornstein and the participation of you members the turn turnout was amazing and lots of fun. We also decided to add a dunk tank that turned out to be a lot of fun for everyone as well and we look forward to adding it again next year.

Toy Run

As I look back at the success of the 43rd annual Toy Run this September, I cannot help but be amazed at the support from all of you members and non-members who traveled from all over the State to bring toys for children in need for the Holidays. It could not have been possible without your support. I would like to say special Thank you to Secretary of State Shenna Bellows for being our key-note speaker, it was fun sharing the stage with you.

Thank you.

In closing I would like to bring to your attention that this year has been one of the lowest fatality rates in State history and I believe awareness does make a difference. So please, it only Takes a second to take a 2nd look, it could save the life of some you love!

Let those who ride decide.

Your President

Shawn Nava

# COUNTY REPORTS ANDROSCOGGIN COUNTY

As we move into our fall and winter season, it's time to reflect back on our spring and summer. Our season started out with our Autism ride, which again wasn't without its challenges followed by a couple memorial rides. Little hands and hand grips and Wishing for fishing. Next year I will focus on the quality not the quantity. And do more multi county events rather than competing with each other for riders. Remember United! Thanks goes out to my Androscoggin members and all you do.

Have a great holiday!

It has been a very busy summer in Cumberland County. Lots of riding and lots of fundraisers for great organizations. It's good to remember none of this is possible without great UBM members. We Thank and appreciation all they do!

# HANCOCK COUNTY

Greetings from Hancock County!

We had a great season last year. As always, I would like to thank my crew for all of their hard work and support. As a group who tries to pitch in at all of the state events as well as trying to support our neighboring counties, I am very thankful for all of them! We were able to donate to several local charities this year because of all of their hard work and dedication.

We have been more than busy with our bikes over the winter. Building, rebuilding, tuning, Road trips to get parts and pieces. We are definitely looking forward to clean dry roads and the feeling of wind in our hair.

Anyone who knows me knows one of my favorite things about any of the bike weeks, or just summer in general is hanging out in some random parking lot talking motorcycles with strangers. I'm looking forward to seeing old and new friends in those random spots across the state this summer.

Our meetings are on the last Monday of the month at Bucks mills rod and gun club in Bucksport. We typically have a potluck at 6:00pm and the meeting starts at 7:00 anyone is free to stop by.

Let's stay safe and keep it greasy side down!

# PISCATAQUIS COUNTY

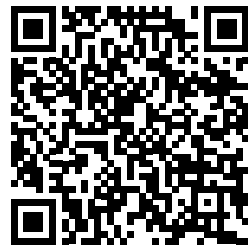

Greetings from PISCATAQUIS!

Hard to believe 2023 is in the books. It has been a wet year and not as many people came to events or rides, for me this year a lot has changed, it is funny how life does that to you. With that being said, we held our annual "UBM at the Bears Den". As always, a wonderful time! THANKS to Brian, staff, and Thanks for all you do.

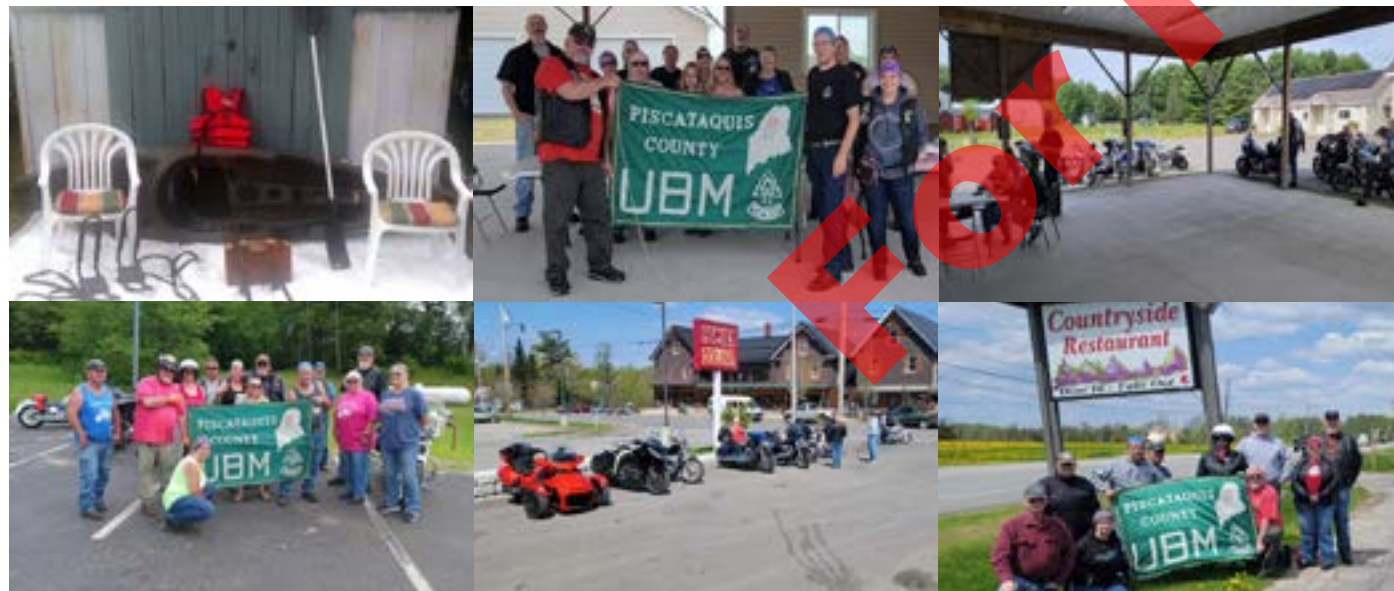

"Biker Down Ride" good ride and lunch at Countryside in Corinth - "Annual Cancer Ride" Good ride and lunch at KENS in Skowhegan. Purchased \$100.00 GAS CARDS for local/PISCATAQUIS residents undergoing treatment. If you know someone who could use a card call Roxane 876-2580 with information and we can help if we still have a few left. This year our "CHARITY Ride" We did for the Milo Brownville Boy Scouts. We had a ride and lunch. Also did a raffle and gave away. 1. Kayak Fishing Package. 2. Night at the Bear's Den. 3. \$25.00 gift card. We raised enough to help send Two Scouts to camp. "THANKS" to everyone who attended all the RIDES and Events your help and donations are so GREATLY APPRECIATED. I invite anyone interested in "UNITED BIKERS OF MAINE" to attend your local County meeting or PISCATAQUIS meeting on the 3rd Monday of the month (except DEC.) 6:30 @ The BEARS DEN, 73 North St., Dover-Foxcroft.

# WASHINGTON COUNTY

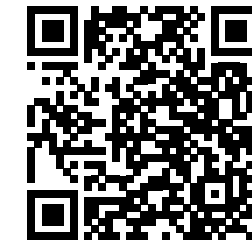

The leaves are still green for a brief time longer. The riding weather will only get better, and the colors will be worth the wait. Motorcycle engines run better with cooler air around them. Check your tire pressure and keep your oil levels up.

Recently there has been an increase in MC accidents. Faults lay where they may but let us turn it this around for the rest of the riding season. Please stay alert, use your lane to ride safer. Keep to the right going up on blind hills, stay away from the yellow line around corners. Leaning over onto the yellow sets up a dangerous action that you may not be able to overcome if traffic suddenly appears. Those cars in front of you can move left and right without blinkers. Do not give them a chance to cut you off. Slow down, brake ready to use, and do not try to slide by. Do not give them way to block your path.

Washington County has a couple rides left this fall. October 1st we will be meeting Penobscot County for a Biker Down ride to Stonington, Deere Isle. We will have lunch at the pier. Let's hope for good weather. On October 15th we are having a veteran's ride to see the fall colors. Choices may lead us to Lincoln along route 6 to Topsfield, Princeton, and route 9 to back home.

Let's plan some good trips. Ride Safe and enjoy the good company, good food and fall colors.

Many members attended and it looked like you all had a great time! We also had an Axe throwing booth and a dunk tank. The Somerset auction was a great turn out! We also had many different bands this year! Despite the rain we also had Prorider 603 with us. Few members tried out the course. Can't wait to see you all next year!!

*United Bikers of Maine is looking forward to his next Doug Burnell Memorial Ride!*

From the desk of Rob Burnell:

42 bikes, in the pouring rain (for a few miles), and one amazing 1st Annual Doug Burnell Memorial Ride for Fallen Bikers where we raised a grand total of..... **\$4865 DOLLARS** for The United Bikers of Maine BIKER DOWN Fund!!

I couldn't be happier with the turnout of die hards who came to support me, my father and our fallen bikers, the money we raised for a GREAT cause, the laughs, the memories made, the healing I got from it all... 42 bikes and it felt like 400 I swear. It was everything I hoped for and more. Thank you all for coming, showing support,  
Make sure you stay updated on the page and get ready in preparation for next year. Love each and every one of you so much.

"I was in a bad motorcycle accident that left me injured and unable to work for two weeks. I tried my hand at going at it alone but could tell quickly I was in way over my head. The other driver's insurance company was very difficult to work with. That's when I decided to seek professional help and called Joe! Smartest move I ever made."

# UBM MEMBERSHIP & YOU

Ever since United Bikers of Maine was founded in 1975 it has been an advocate protecting the rights of all Motorcyclists in the state of Maine. While fighting anti-motorcycle legislation, UBM promotes and encourages the safe and lawful operation of all motorcycles. We do not judge people by the brand or type of motorcycle that they ride. Our membership is open to anyone, regardless of whether they ride or not. If you are interested in promoting the safe operation of motorcycles as well as protecting and defending the rights of all motorcyclists in the state of Maine then, UBM is for you. United Bikers of Maine is a Motorcycle Rights Organization working to protect the rights of all those who ride motorcycles in the state of Maine. We are made up of people who come from many different backgrounds, yet we all share one common thread, we all ride and/or love Motorcycles! UBM stands for ensuring your rights as a motorcyclist by fighting "Anti-Motorcycle Legislation," and working to promote "Fair Motorcycle Legislation." In the years since our Founding in 1975, our membership has continued to grow, and we are still involved in protecting our rights as motorcyclists as well as helping to make our counties and communities better and safer places to live.
